Dear Applicant:

Thank you for your interest in the Gene Kauffman Scholarship Program. We are very pleased to have this opportunity to implement the wish of Mr. Kauffman to provide financial assistance to our female Mercer County graduates.

In order for the scholarships to be presented in a timely fashion for the Fall 2022 semester, it is very important that you complete this application as soon as possible. **READ CAREFULLY THE “MINIMUM REQUIREMENTS” LISTED ON THE FOLLOWING PAGE BEFORE YOU COMPLETE THE APPLICATION.** These requirements must be met to be eligible to receive a scholarship. You should read carefully the application and the agreements section before signing and submitting.

**The deadline for receiving applications is at 3:00 p.m. on Wednesday, June 15, 2022.** You may deliver your application in person to your alma mater or mail to the address above (postmark deadline is June 10, 2022) or by fax (660-748-3212) with the original to follow.

You are required to take a nicotine test at your expense to be eligible for this scholarship. The test is to be administered by a certified physician. Test results are to be mailed from the physician or clinic to: Gene Kauffman Scholarship Foundation, P.O. Box 113, Princeton, Missouri 64673. **Your test report must be received by the Scholarship Committee by Friday, August 26, 2022** (postmark deadline is Saturday, August 20, 2022). Make sure your physician or clinic is aware of the deadline date when you get your test.

An original schedule of courses, showing total credit hours, and an itemized bill or invoice from the institution showing credits and tuition cost must be submitted. If you were a recipient of Gene Kauffman Scholarship Foundation, Inc. monies for any previous semester, a grade report must also be submitted. **Deadline for this information is Friday, August 26, 2022** (postmark deadline is Saturday, August 20, 2022). **It is your responsibility to ensure that you get all necessary information to the Scholarship Foundation.**

The actual scholarship check will be made payable to the recipient. **IF EITHER APPLICATION, TEST RESULTS, OR INFORMATION DOCUMENTS ARE RECEIVED AFTER DEADLINE DATES, THEN THE APPLICANT WILL NOT BE CONSIDERED TO RECEIVE A SCHOLARSHIP.** The decision of the Board will be final.

Please understand that because the costs of education vary from school to school, and the number of applicants is unpredictable, the amount of scholarship awarded may be different for each individual and from one semester to the next. Funding for students working toward undergraduate degrees will take priority over all other degrees. Note also that funds awarded may not cover all expenses.

Sincerely,

**Deadline Date Summary:**

**Application: 06-15-22**

**Nicotine Test Results: 08-26-22**

**Re: LOCAL SCHOLARSHIPS**

**When you submit your local scholarships to your college financial aid office, please inform the financial aid officer that you want them all applied toward the Fall Semester. If you do not tell them, they normally will split up the scholarships using  $\frac{1}{2}$  of the scholarship amount for the Fall Semester and the other  $\frac{1}{2}$  for the Spring Semester. The Kauffman Scholarship Foundation will subtract all local scholarships the Fall Semester when figuring the needed cost to attend your specified college.**

**In the event of transfer between Fall and Spring semesters, it is the student's responsibility to ensure that the institution she is transferring to has a copy of the current FAFSA on file.**

**ATTENTION**

**The Committee encourages the applicant to call Kim Palmer (Telephone Number: 660-953-0417), prior to deadline dates, to confirm that all necessary information has been received.**
