Dear Applicant:

Thank you for your interest in the Gene Kauffman Scholarship Program. We are very pleased to have this opportunity to implement the wish of Mr. Kauffman to provide financial assistance to our female Mercer County graduates.

In order for the scholarships to be presented in a timely fashion for the Spring 2024 semester, it is very important that you complete this application as soon as possible. **READ CAREFULLY THE "MINIMUM REQUIREMENTS" LISTED ON THE FOLLOWING PAGE BEFORE YOU COMPLETE THE APPLICATION.** These requirements must be met to be eligible to receive a scholarship. You should read carefully the application and the agreements section before signing and submitting.

The deadline for receiving applications is at 3:00 p.m. on Monday, December 4, 2023. You may deliver your application in person to your alma mater or mail to the address above (postmark deadline is Friday, December 1, 2023) or by fax (660-748-3212) with the original to follow.

You are required to take a nicotine test at your expense to be eligible for this scholarship if you did not apply for the 2023 Fall semester. The test is to be administered by a certified physician. Test results are to be mailed from the physician or clinic to: Gene Kauffman Scholarship Foundation, P.O. Box 113, Princeton, Missouri 64673. **Your test report must be received by the Scholarship Committee by Friday, January 5, 2024** (postmark deadline is Tuesday, January 2, 2024). Make sure your physician or clinic is aware of the deadline date when you get your test. If you have a negative nicotine test on file for the Fall 2023 semester, no test is required at this time.

An original schedule of courses, showing total credit hours, and an itemized bill or invoice from the institution showing credits and tuition cost must be submitted. If you were a recipient of Gene Kauffman Scholarship Foundation, Inc. monies for any previous semester, a grade report must be submitted. **Deadline for this information is Friday, January 5, 2024** (postmark deadline is Tuesday, January 2, 2024). **It is your responsibility to ensure that you get all necessary information to the Scholarship Foundation.**

The actual scholarship check will be made payable to the recipient. **IF EITHER APPLICATION, TEST RESULTS, OR INFORMATION DOCUMENTS ARE RECEIVED AFTER DEADLINE DATES, THEN THE APPLICANT WILL NOT BE CONSIDERED TO RECEIVE A SCHOLARSHIP. The decision of the Board will be final.**

Please understand that because the costs of education vary from school to school, and the number of applicants is unpredictable, the amount of scholarship awarded may be different for each individual and from one semester to the next. Funding for students working toward undergraduate degrees will take priority over all other degrees. Note also that funds awarded may not cover all expenses.

Sincerely,
