# LEA PARENT AND FAMILY ENGAGEMENT

Section 1112 (b) (3) and (7) and Section 1116

The LEA will conduct outreach and engage parents of participating children, including parents of migrant and EL 🎇 children, in meaningful consultation to plan and implement parent involvement programs, activities, and procedures.

# LEA Parent and Family Engagement Policy

## Policy Development

The LEA parent and family engagement policy is developed jointly with, agreed on with, and distributed to parents of participating children. Section 1116 (a)(2)

Describe how the LEA involves parents in the joint development of the LEA parent and family engagement policy The LEA annually conducts advisory board meetings in which members of the community, parents of participating students, teachers, paras, and administration all attend. This meeting is held to discuss goals of the program and to enlist input from parents on how the program can be improved. The spring advisory meeting was held on April 20, 2023 in the Elementary Commons. There were a total of 28 parents, students, teachers and administration present.

Describe how the LEA seeks and obtains the agreement of parents with the parent and family engagement policy During the annual meeting, ideas are presented, discussed and agreed upon by those individuals in attendance. At the beginning of the school year, all students receive a packet with information concerning enrollment, contacts, etc. Included in this packet of information is also the engagement policy previously approved in the spring at the advisory meeting. Parents are to sign and return the form to the school with all of the other yearly forms. Families are tracked as to forms completed and forms not completed. For the families of those not returned, a second paper is sent home with the student for a signature. If forms are still not returned a phone call is made to the parent.

Describe how the LEA distributes the LEA parent and family engagement policy to parents of participating children Information on the policy is distributed to families of participating children at the fall meeting with the Title 1 teacher. Information is also sent home with the students at the beginning of the school year. Parents will also receive the information at the monthly parent/student involvement activities for all grade level parents and students. This policy will also be placed on the school website for easier access for all parents.

# Plan Development

The LEA parent and family engagement policy establishes expectations and objectives for meaningful parent and family involvement Section 1116(a)(2)

The LEA involves parents and family members in jointly developing the local educational agency plan Section  $1116 \ (a)(2)(A)$ 

ad re to	rents and members of the school district's faculty and staff meet to discuss e goals of the program and work to develop a plan that is beneficial to dressing the needs of all participating students. The plan is driven by the sults of parent surveys and individual comments made on the surveys or directly the teachers. Discussion of the plan and any changes needed, took place at the ring Title meeting on April 20, 2023 in the Elementary Commons.
neck a	ff that apply:
	No <u>Comprehensive Accountability</u> and <u>Targeted Accountability</u> schools have been identified in the LEA. Section 1116 (a)(2)(A) and Section 1111(d)(1)(2)
	The LEA will involve parents and family members in the development of <u>Comprehensive Accountability</u> Plans. Section 1116 (a)(2)(A) and Section 1111(d)(1)(2)
	The LEA will involve parents and family members in the development of Targeted Accountability Plans.  Section 1116 (a)(2)(A) and Section 1111(d)(1)(2)
apaci	ty Building
of ac co	e LEA provides coordination, technical assistance, and other support necessary to assist and build the capa all participating schools within the LEA in planning and implementing effective parent and family involvementivities to improve student academic achievement and school performance, (which may include meaningful assultation with employers, business leaders, and philanthropic organizations, or individuals with expertise ectively engaging parents and family members in education.) Section 1116 (a)(2)( $B$ )
We co ir or	scribe coordination, technical assistance, and other support e only have one building that is eligible for this program. The Title 1 teacher pordinates and plans all programs used to implement the parent and family envolvement activities. The Title 1 teacher also presents to local businesses and reganizations that may want to support the LEA, but do not know the steps excessary to become more involved.

Describe how the LEA will coordinate and integrate family engagement strategies with these laws and/or programs  $\frac{1}{2}$ 

The district holds monthly parent/student programs with all grade levels on designated evenings. Parents and students work together on activities to promote reading skills and to educate parents on methods to help their student at home. The LEA also provides hard copies of "Helping Students Learn" that provides parents with in-home activity ideas to encourage reading at home with their student.

#### Annual Evaluation

The LEA conducts, with the meaningful involvement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part. Section 1116 (a)(2)(D)

#### Describe annual evaluation

Parent surveys are sent home with all students yearly. The information gathered from these surveys is tabulated and helps to guide the district on improvements to the program based on parental feedback.

As part of the annual evaluation of the content and effectiveness of the parent and family engagement policy, the LEA identifies;

Barriers to greater participation by parents of participating children (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background)

## Describe method(s) for identifying barriers

Student enrollment forms identify ethnic backgrounds and speaking directly to the parents identifies any limited English proficiency. Student enrollment forms are updated yearly for all returning students. Enrollment forms are also available online and in a hard copy for all new students enrolling in the district. New enrollment forms are available in Spanish also. The district hires a translator on an as needed basis to assist with completion of any and all forms for Limited English Speaking Parents.

The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers

# Describe method(s) for identifying needs

7/28/2023. Needs of parents and family members to assist with the learning of their children are identified through the parent survey sent home in the spring. Questions include, but are not limited to the following: My child's teacher(s) communicate with me on a regular basis, are the school's expectations for my child communicated effectively, does the school provide a variety of events about student learning, does the school offer easy to navigate websites with information concerning programs and activities to help with student learning, does the school offer additional academic help when needed. The responses generated from the results of the survey help guide the Title 1 teacher and regular classroom teachers with appropriate resources and materials to assist parents with their child's learning. Classroom teacher contact with parents also guides both teacher and parents in identifying needs of the student. Parent/teacher conferences is also another method used by the teachers and families to assist students in all areas of their learning.

Our monthly activities for all grade levels, engages parents in activities that they may implement at home to help their student in different areas of reading strategies. Parents are given information at the fall and spring meeting that provides resources for online activities students may utilize from home to help improve reading and math skills. Parents are also provided weekly spelling lists, sight word lists and math practice sheets to help their student at home in all areas. Students also participate in monthly reading challenges to engage them in reading at home.

Strategies to support successful school and family interactions

Describe method(s) for identifying strategies

7/28/2023: Methods used to identify strategies to support successful school and family interactions include parent surveys, student feedback following grade level activities, teacher committee discussion during event planning and yearly advisory committee meetings that include a variety of stakeholders throughout the school and community.

We hold parent meetings in the fall and spring to provide information as to helping their students. These meetings also give the parents information on the program and all aspects involved in the Title 1 program. Parents also attend monthly activities with their student in the evening as planned by the Title 1 Teacher. The Title 1 teacher leads the activities that promote family and school interactions. The "Helping Students Learn" newsletter is also sent home monthly to provide strategies for parents to work with their student/s. This newsletter is provided in both English and Spanish. Information is also provided to parents as to how to login to Study Island so students may work on skills needed to improve their reading and math after school hours.

- The LEA will use the findings of the annual evaluation of the parent and family engagement policy to design evidence-based strategies for more effective parental involvement, and to revise, if necessary, the parent and family engagement policy. Section 1116 (a)(2)(E)
- The LEA will involve parents in the parent and family engagement activities of the Title I served schools (which may include establishing a parent advisory board for the purpose of developing, revising, and reviewing the parent and family engagement policy.) Section 1116 (a)(2)(F)
