

Princeton R-V Junior High

AMI Day Choice Board

Directions: Complete one assignment for each color (one green, one blue, one yellow)

Be ready to share your experiences during TIGER Time on the next in-person school day.

Math	ELA	Science	Social Studies	Practical Arts	Art & Creativity
Geometry Hunt Find five objects around your house with different geometric shapes. Draw or describe them, and label their shapes.	Creative Writing Write a short story that starts with, "It was a day like no other..." Be sure to include a clear beginning, middle, and end.	Weather Log Check the weather forecast for today and record observations throughout the day. Make predictions for the next day.	Map Skills Draw a map of your neighborhood or an imaginary place. Include a key and directions to your "favorite spot."	Stretch & Relax Design a 10-minute stretching routine and try it. Write down or record how you feel before and after.	Mini Masterpiece Use items around the house (paper, crayons, markers, etc.) to create a postcard featuring a favorite place you've been or want to visit.
Math Puzzles Solve three math brain teasers or riddles of your choice. Explain your solution process. Don't know where to find brain teasers or puzzles. Click here.	Reading Reflection Choose a chapter from a book you're reading and summarize it. Share how you feel about what's happening in the story.	Experiment at Home Observe how ice melts at room temperature. Predict how long it will take and write about factors that might affect melting time.	Time Capsule Write a letter to your future self about what's happening in the world or in your life today.	Dance Party Choose three of your favorite songs and make up dance moves to each. Do each dance for at least 2 minutes and invite family members to join.	Nature Art Collect leaves, sticks, or rocks from outside and make a small piece of art with them. Take a picture and label your materials.
Word Problem Creation Write two math word problems related to everyday life. Solve them, and explain each step.	Grammar Check Write a paragraph about your day. <ul style="list-style-type: none"> Underline all the nouns. Circle the Verbs. Highlight adjectives. 	Living Things Scavenger Hunt List all the living organisms you see today (indoors or outdoors). Describe each one and its habitat.	Guess Where? Pick a location...any location in the world. Do not write down your location. Write down 10 facts about your location and see if someone can guess your place.	Obstacle Course Create an indoor obstacle course with safe items. Time yourself, then try to beat your time!	DIY Comic Create a short comic strip about something funny or interesting that happened this week. Include illustrations
